Object

**Transistor Radio**

TI number: Z00108

This radio, S/N 14528, is an early production model. The initial production radio had S/N 1001. (See Z00409.) Some of the early radios were put in clear cases for demonstration purposes.

The item was part of the original S/B Lobby display and the 50th Anniversary exhibit. See Related Material for additional information.

Related material in collection: G00107, Z00109, 409, 411.

*Texas Instruments (Boyd Cornelison, Paul Davis, S. T. Harris, Jim Nygaard, Roger Webster.)*
