

regency transistor duet

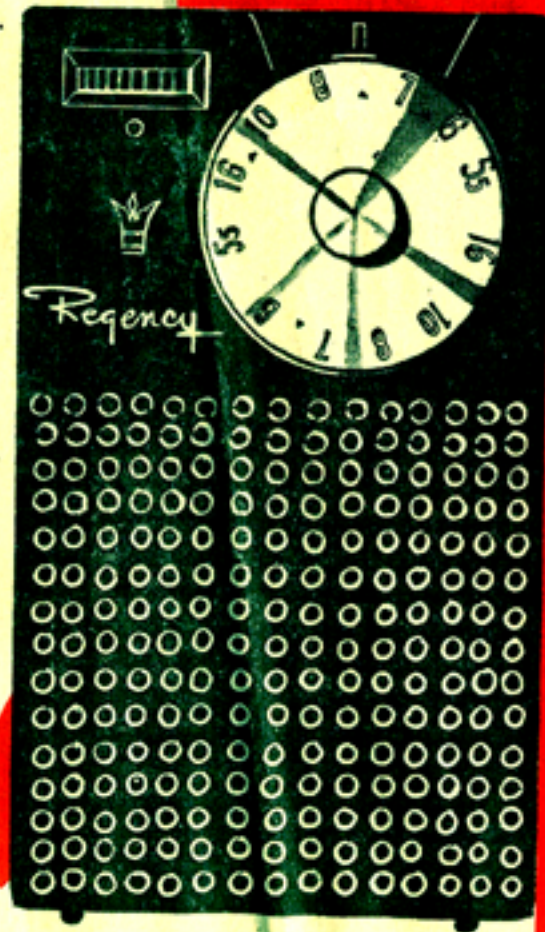

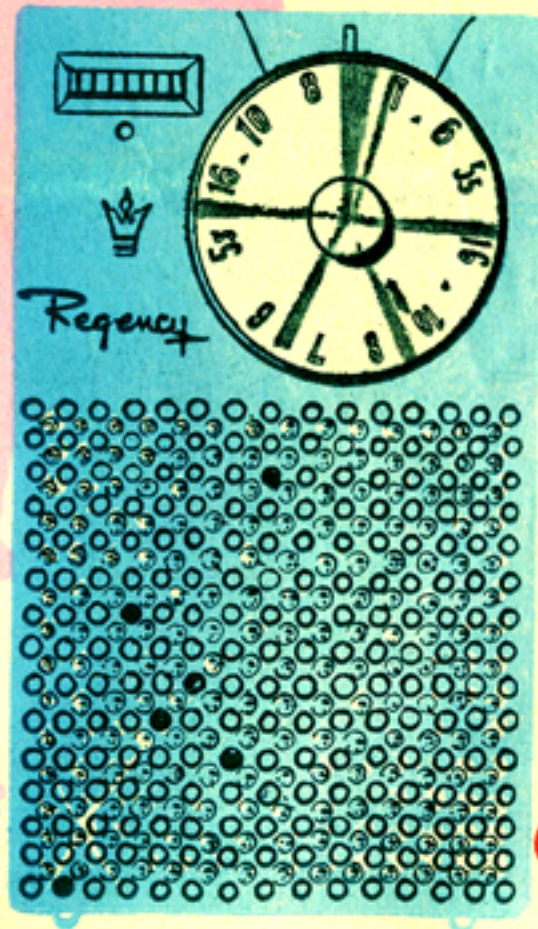

*N-M's exciting 1956 presentation of the radio idea that originated in Texas and revolutionized portables! Now you can hold in the palm of your hand the listening pleasure of newly increased volume, clarity of tone and longer battery life. In two new fashion-accessory designs for graduation and Mother's Day giving! Petite model eased in black plastic 41.98. Or colorfully in ivory, red, green, grey or mahogany plastic 52.20. Very chi-chi*
